Science Night at Whitehead Rd Elementary School, April 26 6:00-8:00

If you would like to volunteer for these outreaches contact Marianne Robinette entomolo@uga.edu

LANGUAGE & ARTS

Peter Pediculosis

My name's Peter Pediculosis
And my rhymes is mad ferocious

Lice bite me at night
But my flow is still tight

The bites itch they don't sting
And I gots ice on my pinky ring

They got six legs
And nits is what they call eggs

They're real species specific
And this is a catchy limerick

But I need to end it
Cause these bites make me manic

Submit your jokes, haikus, short stories, art, poetry or photos [HERE!](#)
