Colloquium Series. Sponsored by the Institute of Bioinformatics. Professor Ming Li of the University of Waterloo discusses Homology search, finding similar parts between two sequences. 10:00 AM. B118 Life Sciences Complex. Contact janeb@uga.edu

Thursday, May 10

Friday, May 11

Public comment session: Implementation of the Georgia Security and Immigration Compliance Act. Sponsored by the University System of Georgia. The University System will implement policy effective July 1 in compliance with this new law that makes students who are unable to document that they are lawfully present in the U.S. ineligible for in-state tuition. Individuals interested in speaking at these sessions should register for a three-minute slot at <http://www.usg.edu/meetings> or call 1-800-903-0929. Other sessions will be May 8 at Dalton State College, May 9 at Georgia Perimeter College, and May 14 at the Gainesville Civic Center. 10:00 AM - 2:00 PM. UGA-Tifton Conference Center, Tifton.

Flashlight Encounters - Family Night Hike. Sponsored by The State Botanical Garden. Join us on an exciting night hike along the Purple Trail. Free. 8:00 PM. Visitor Center. Contact 706-542-6156, dbmitchl@uga.edu

Saturday, May 12

Spring Semester Commencement. Undergraduate ceremony at 9:30 a.m. in Sanford Stadium. In case of rain, divides into two ceremonies in Stegeman Coliseum at 9:30 and 11:30 a.m. Speaker: University System Chancellor Erroll B. Davis, Jr. Refer to www.reg.uga.edu for specific information on which ceremony to attend in case of rain. Graduate ceremony 2:30 p.m. in Stegeman Coliseum. Speaker: Mary Frances Early, the first African-American graduate of UGA.

Recognition Ceremony. Sponsored by College of Agricultural and Environmental Sciences. A ceremony to recognize CAES students who are scheduled to graduate spring semester 2007. Students should arrive at 11:30 a.m. to check in and form the processional. Performing Arts Center, Hugh Hodgson Hall. Contact 706-542-1611, emartin@uga.edu

HONORS & AWARDS

Spring Commencement

The Department of Entomology would like to congratulate 12 Spring 2007 Entomology Undergraduates receiving their BSES, Bachelor of Science in Environmental Sciences, degree.

Megan Bechtold, Heather Carr, Luke Edmondson, Adam Fowler, Lauren Frame, Josh Gropper, Todd Hall, Amanda Parnell, Glen Ramsey, Clare Scott, Julia Sprang, and Samarra Wise. **CONGRATULATIONS and GOOD LUCK !!!**

Yigen Chen was awarded a Sigma Xi grant-in-aid to support his research on tritrophic effects of nitrogen in the cotton system. The funding will support work that Yigen will be conducting at the USDA facilities in Gainesville, Florida, in collaboration with Dr. Eric Schmelz.

Marianne Robinette's Teaching Portfolio was approved by a group of reviewers for the Graduate School. Her name will be in this semester's Graduation Program as a recipient of the Teaching Portfolio Certificate.
