

UPCOMING EVENTS

Monday, Sept. 17th

Entomology Seminar. Jim Leebens-Mack, Department of Plant Biology, UGA, Athens. "Plant and Pollinator Diversification in the Yucca-Yucca Moth System" Host: Joe McHugh. 12:20 PM – 1:10 PM, 404A Biological Sciences Building.

East Campus Village Blood Drive. Sponsored by the American Red Cross. Noon - 5:00 PM. Fireside Lounge, Rooker Hall. Contact: 678-227-4650.

Plant Pathology Seminar. "Fungicide resistance in pecan and peanut pathogens: a history of un-natural selection" by Katherine Stevenson, UGA Tifton. 12:20 PM. Room 2401 Miller Plant Sciences Bldg.

Tuesday, Sept. 18th

Project FOCUS. 3:30 PM – 4:30 PM & 5:00 PM – 6:00 PM @ 213 Aderhold Hall, University of Georgia.

Ecology Seminar. Sponsored by Odum School of Ecology. Land use change and stream ecosystems: can we put degraded streams together again? by Emily Bernhardt, Duke University. Host: Amy Rosemond. Reception at 3:30 PM, seminar at 4:00 PM. Ecology Auditorium. Contact: 706-542-6013, anisaj@uga.edu.

Wednesday, Sept. 19th

Genetics Seminar. Sponsored by the Department of Genetics. Yong-Kyu Kim of the Department of Genetics will discuss "Studies of Drosophila mate recognition behavior" 4:00 PM. B118 Life Sciences. Contact: 706-542-8000.

Conservation Seminar. "Developing a Predictive Science of Conservation" by John Gittleman, Dean UGA Odum School of Ecology. 1:25 PM. Ecology Seminar Room.

Ichauway Seminar. "Diversity and Ecosystem Functioning in Simple Tropical Ecosystems" by Jack Ewel, University of Florida. Call 229-734-4706 if you plan to attend. 3:30 PM Research Seminar Room Jones Center.

Microbiology Seminar. "Trafficking of chlamydial antigens within infected human endometrial epithelial cells: Destinations and implications" by David Giles, East Tennessee State University. Dr. Giles is a candidate for a post-doctoral position. 4:00 PM 113 Riverbend South Conference Room.

Thursday, Sept. 20th

Multicultural Communications Seminar. Sponsored by the College of Agricultural and Environmental Sciences. Dr. Donald Rubin, a UGA professor of speech communication and language and literacy education, will speak on "Intercultural Communication and the Dissemination of Innovations Across Cultures." 3:35 PM - 4:45 PM. 131 Food Science Building. Contact: lwicker@uga.edu.

Microbiology Seminar. "Aerobic biodegradation of gasoline oxygenates" by Michael Hyman, North Carolina State University. 11:00 a.m. Room 404D Biological Sciences Bldg.

Geology Colloquium. "Evolution and Creation: Conflicting or Compatible?" by Patricia Kelley, University of North Carolina at Wilmington. 3:15 p.m. Reception; 3:30 p.m. Seminar Room 200A Geology-Geography Bldg.

Ichauway Seminar. "Tropical Coastal Landscapes: Broadening Our Horizons" by Kathy Ewel, University of Florida. Call 229-734-4706 if you plan to attend. 3:30 p.m. Research Seminar Room Jones Center.

Friday, Sept. 21st

Seminar: Sponsored by the Warnell School of Forestry and Natural Resources and the Odum School of Ecology. "Consequences of Parasite Invasion and Land Use Management on the Metapopulation Dynamics of a Passerine Host." Peter Arcese, University of British Columbia, will give the seminar. The hosts will be Bob Cooper from the Forestry Department and Patty Gowaty from the Ecology Department. 12:20 PM. Ecology Auditorium. Contact: 706-542-6013, anisaj@uga.edu.

Joint WSFNR/Ecology Seminar. "Consequences of parasite invasion and land use management on the metapopulation dynamics of a passerine host" by Peter Arcese, University of British Columbia. Hosts: Bob Cooper (Forest Resources) and Patty Gowaty (Ecology) 12:00 p.m. Reception; 12:20 p.m. Seminar Ecology Auditorium.

Biochemistry & Molecular Biology Seminar. "Heme is involved in microRNA processing" by Feng Guo, UCLA School of Medicine. 3:30 p.m. Room C127 Davison Life Sciences Complex.

Saturday, Sept. 22nd

13th annual Insect-ival. Sponsored by the State Botanical Garden, the Lund Club, and the Georgia Museum of Natural History. This year's theme is '6 Legged Immigrants'. \$3 per person; \$10 maximum per family; children under 2 years free. 9:30 AM - 12:30 PM. Botanical Garden Visitor Center and Callaway Building. Contact: 706-542-6156, ckeber@uga.edu.

Football at Alabama. ESPN-TV. 7:45 PM. EDT. Tuscaloosa, AL.

OUTREACH ACTIVITIES

Tuesday, Sept. 18th, Project FOCUS. 3:30 PM – 4:30 PM & 5:00 PM – 6:00 PM @ 213 Aderhold Hall, University of Georgia.

Wednesday, Sept. 19th, Project FOCUS. 3:35 PM – 4:35 PM @ 213 Aderhold Hall, University of Georgia.

CLASSIFIEDS & ANNOUNCEMENTS

Post available student worker positions, internships, undergraduate research opportunities, or available graduate student positions [HERE!](#)

Email submissions for Volume 2 Entomology Weekly to entoinfo@uga.edu
